

# SUSHANT

Full Stack Developer

## PROFILE

I am a passionate and dedicated **Web Developer** with a strong foundation in **HTML**, **CSS**, and **JavaScript**, combined with experience in **Python**, **Java**, and **MySQL** for backend development and database management. I specialize in building responsive, user-friendly websites and applications, with a focus on clean code and efficient functionality. My skill set enables me to develop end-to-end solutions, bridging the gap between design and technology.
